So Dear to My Heart

BY

THE CLASSES Of 1950

"How dear to my heart
Are the scenes of my school days
When fond recollection
Presents them to view."

The Publications Staff
NORTH LITTLE ROCK SENIOR HIGH SCHOOL
Twenty-second and Main Streets North Little Rock, Arkansas

BY WAY OF GREETING

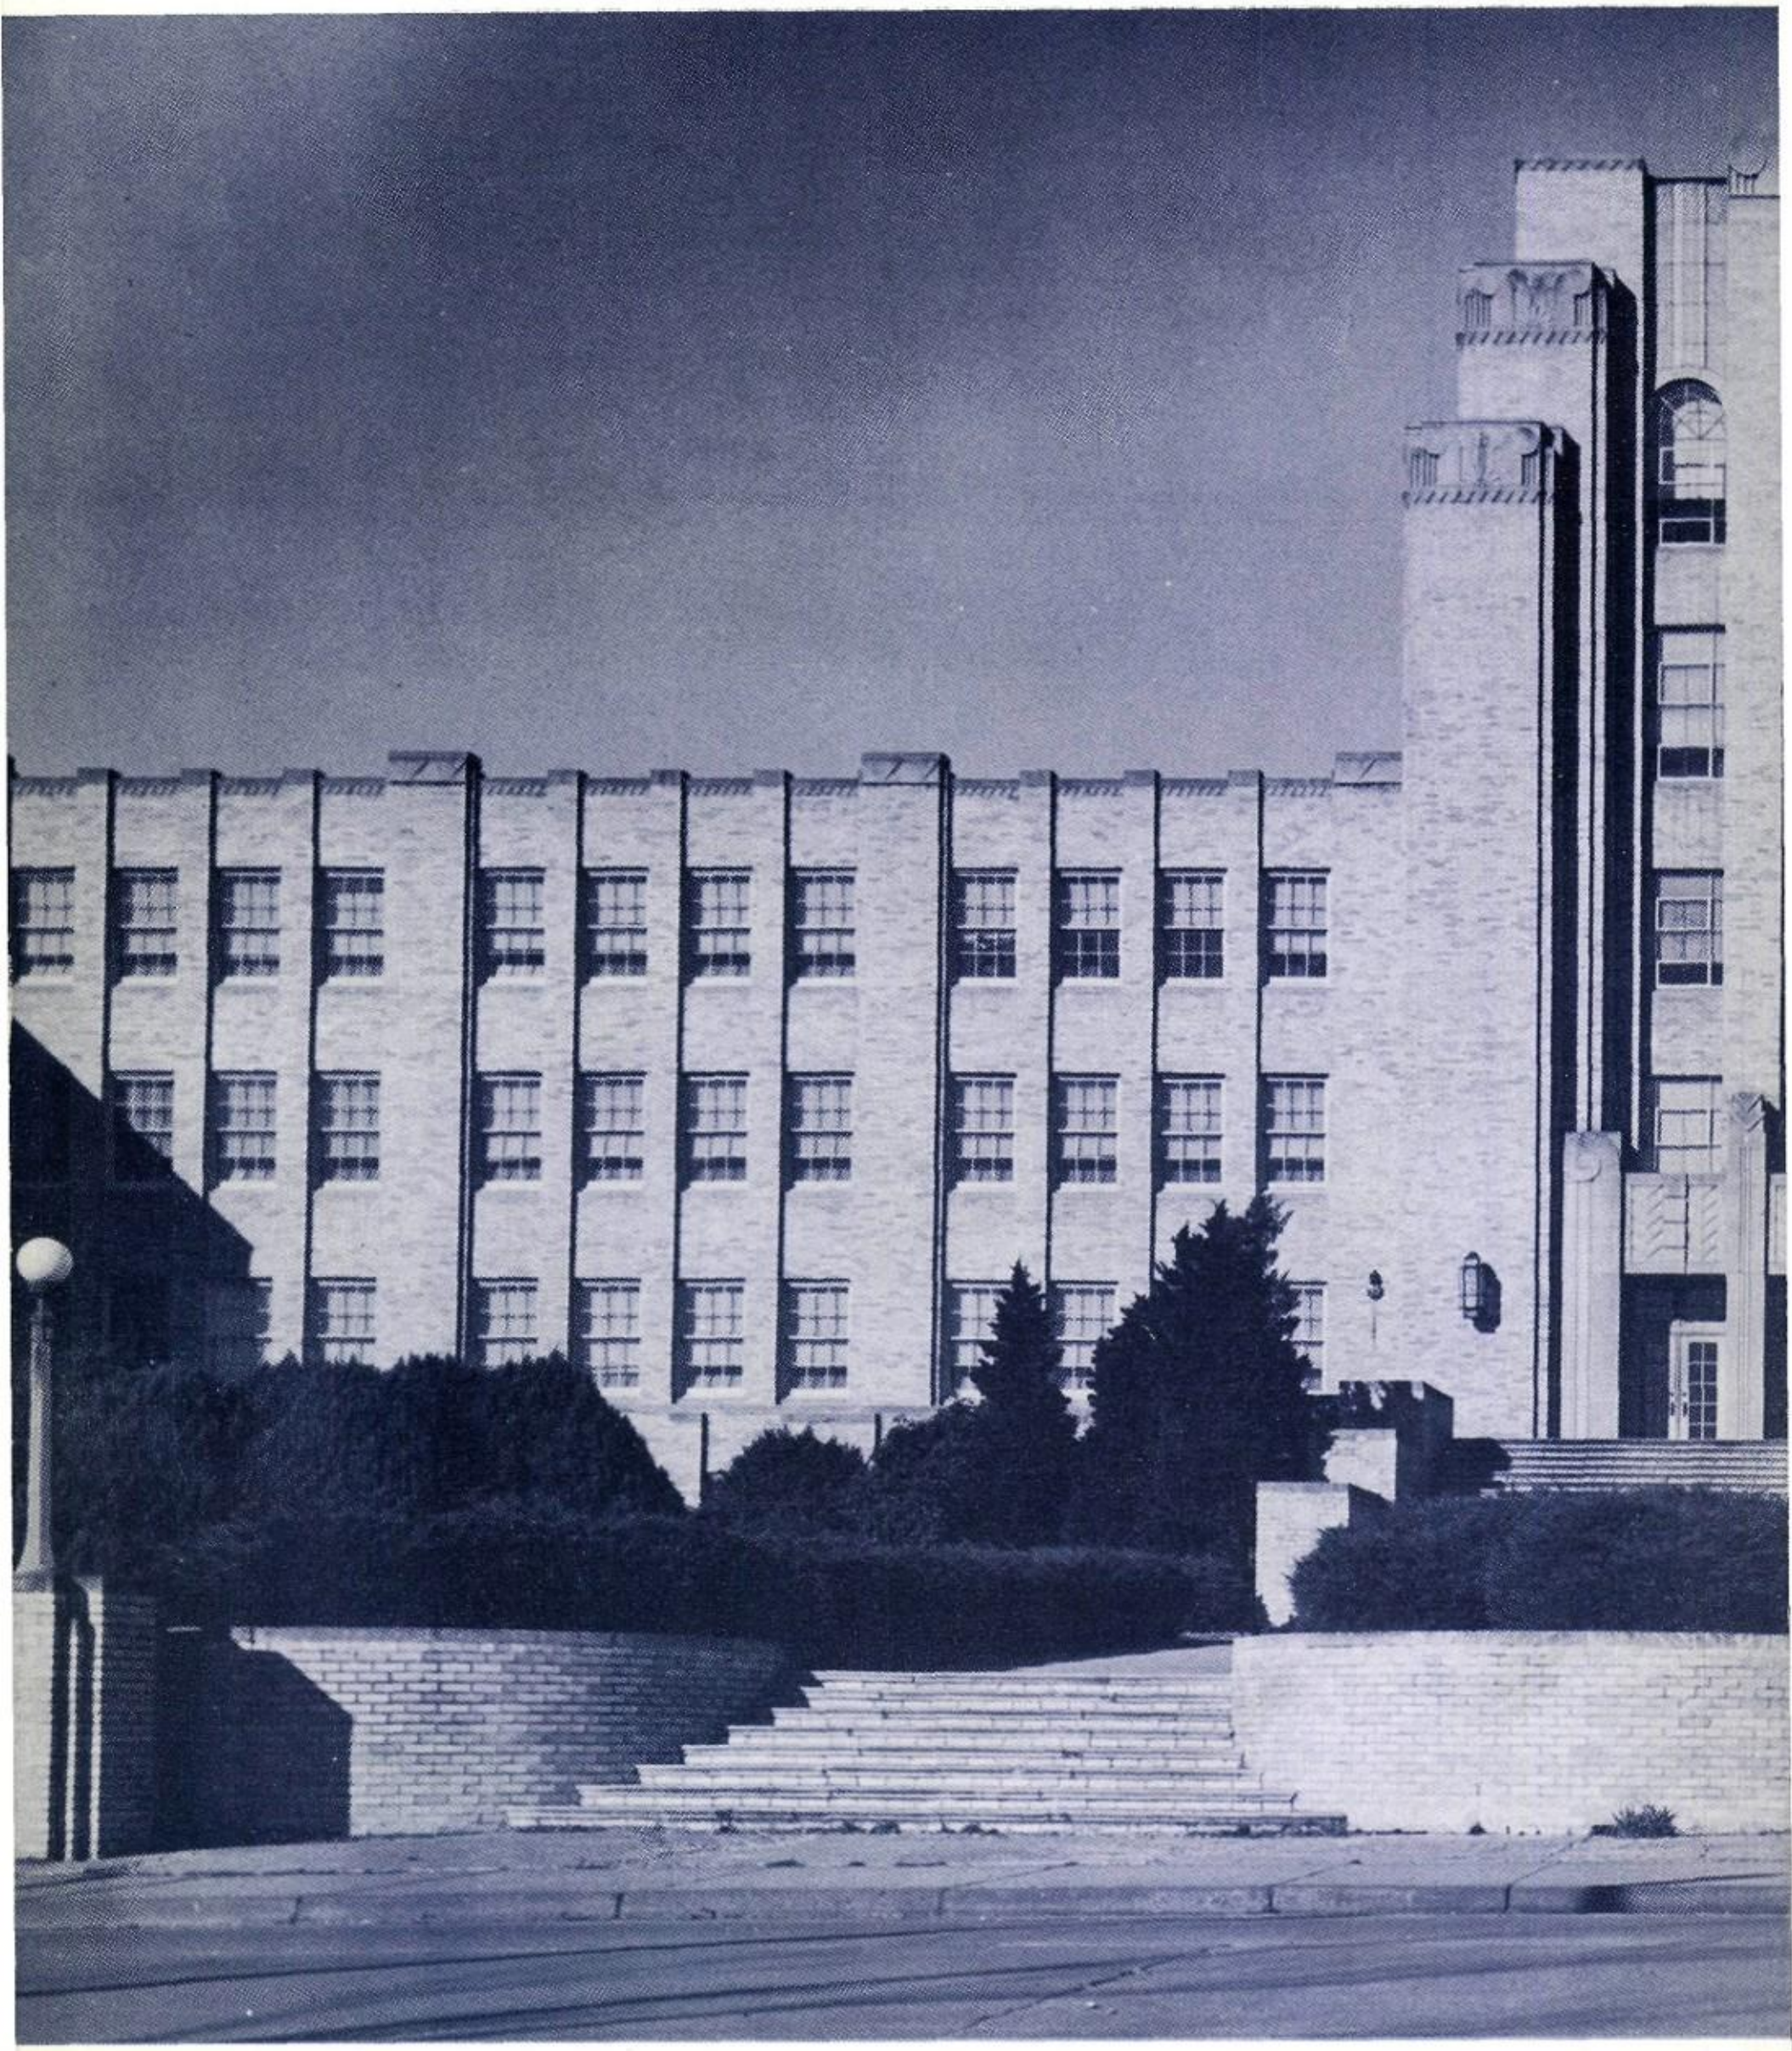
"There is a time to be young and a time to be old," some wise man once said; and one of the nice things about rocking chair days is the dreams to be dreamed of a wonderful youth.

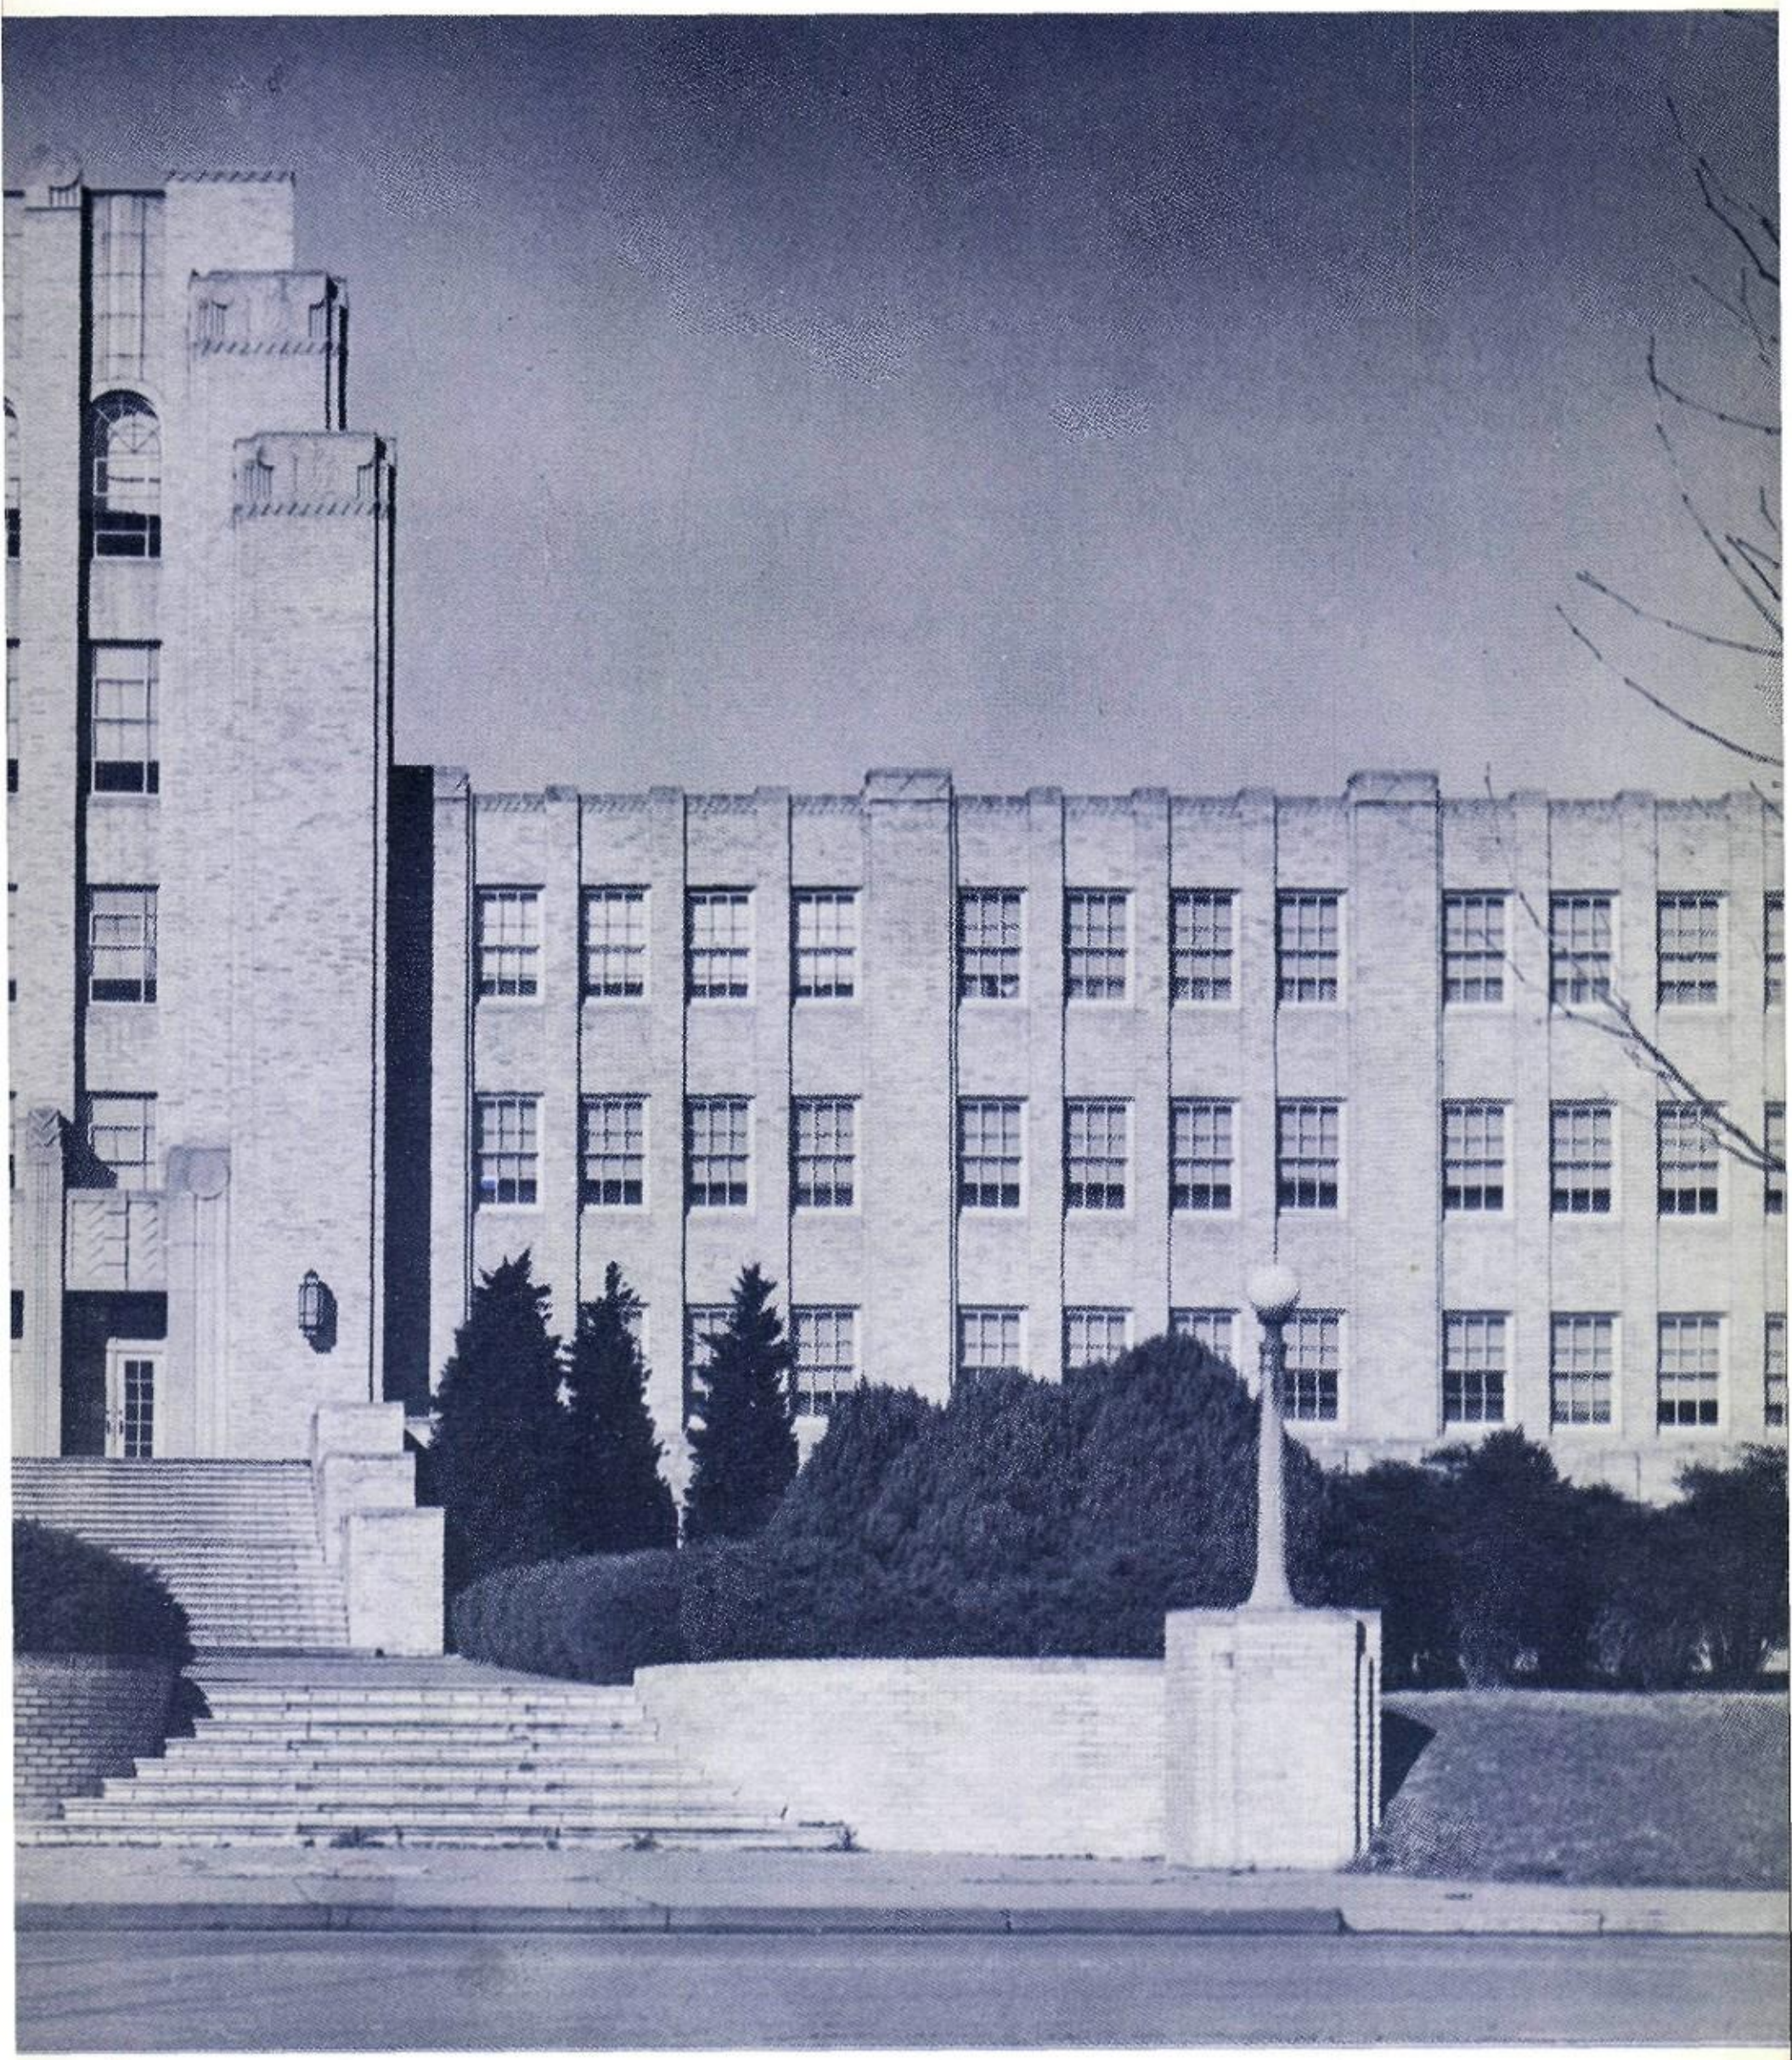
Ours was especially wonderful. We are sure of that. And best of all, those last three years on Wildcat Hill.

We had the most beautiful school house in the world . . .
. . . the best administrators . . .
. . . the nicest teachers—even if they were slave-drivers . . .
. . . we learned about many things—to do many things . . .
. . . and there were the stellar personalities . . .
. . . our clubs and organizations . . .
. . . our spartan athletes . . .
. . . and the best people on earth—our school mates . . .
Then there were those moments—each a scintillating second snatched from covetous Father Time, to live immortal while hearts can remember . . . the big, sprawling industrial city which nurtured us—the giants of commerce who took time to be our friends, and whose names we think of with our own . . .

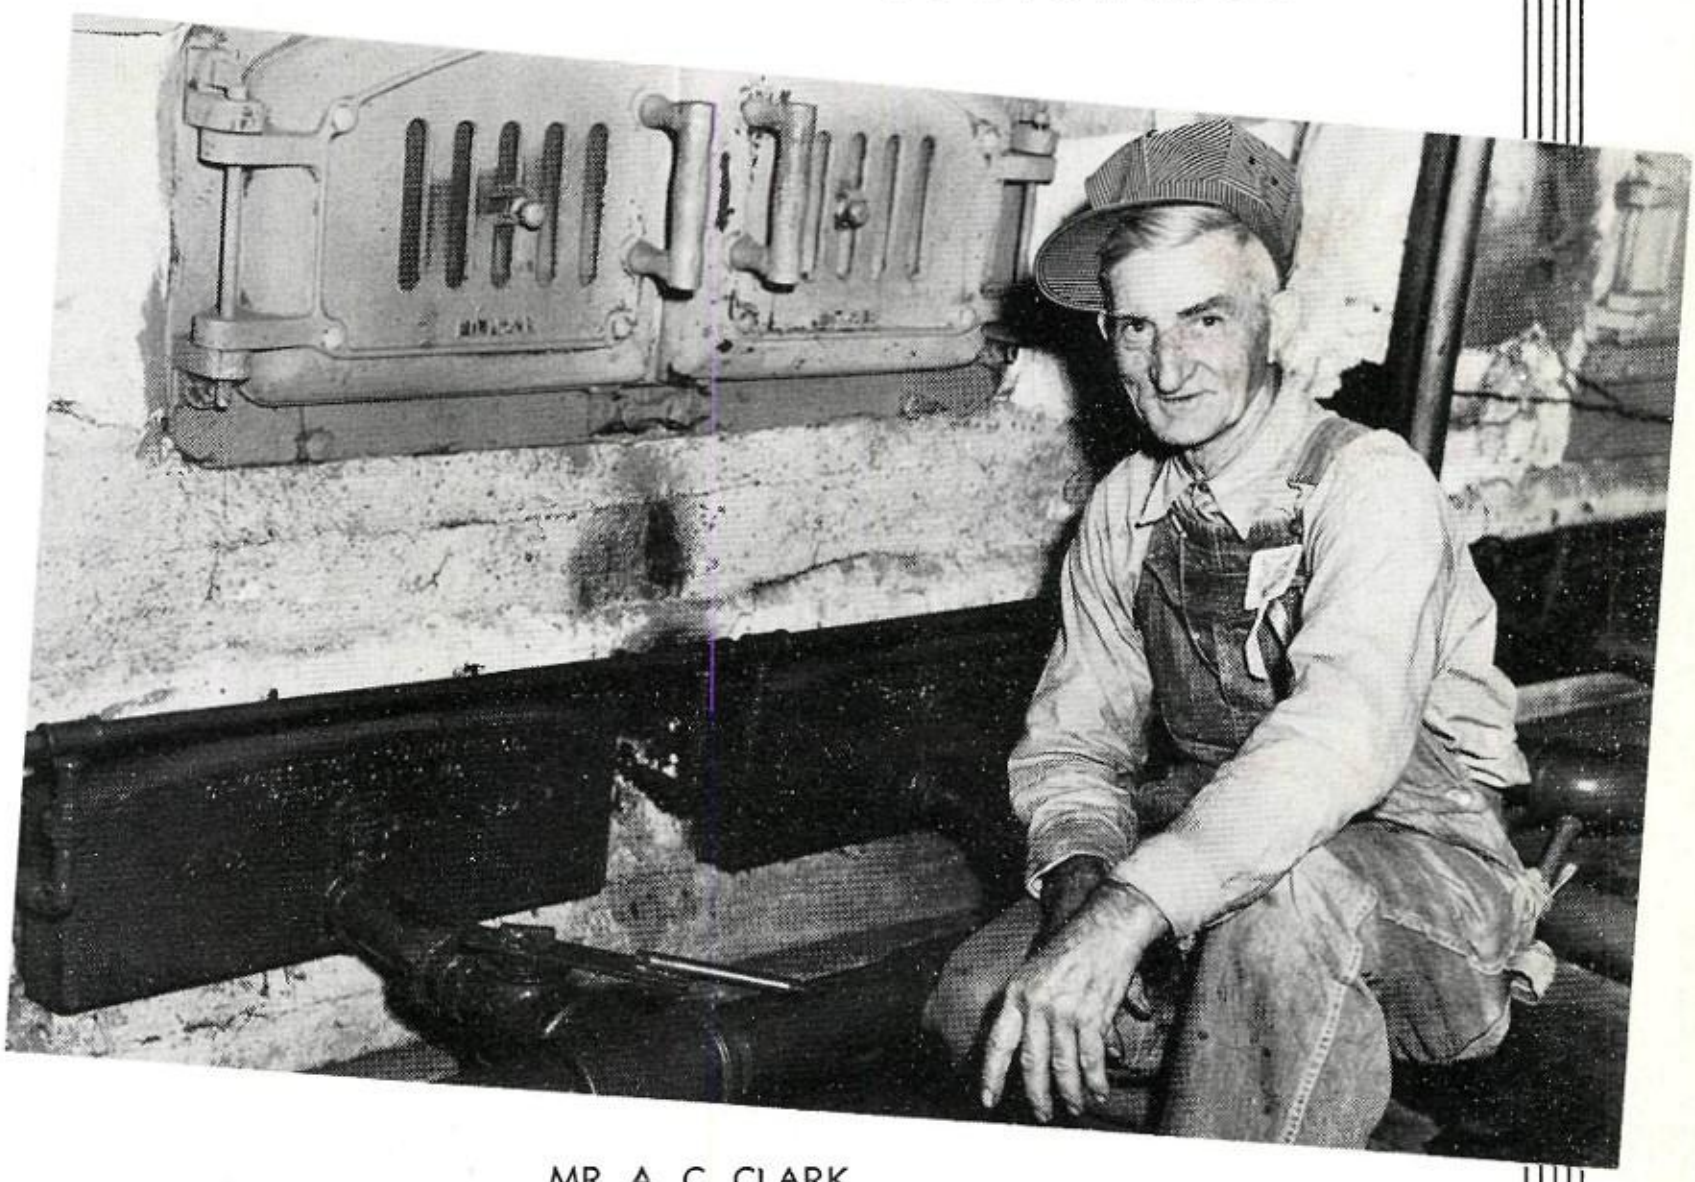
And just across the river, the state's capital city, whose merchants and professional men we well remember, too . . .

All stamped here forever . . . to cherish . . . to cheer.





DEDICATION



MR. A. C. CLARK

Holding the safety of thousands in his hands, Mr. A. C. Clark, our building engineer, goes his busy way daily with a smile and a nod for every one, never claiming the credit only he deserves.

We hear that the little things which form the composite of life are what make our moments either golden or sad. Such it is that the thousand and one duties performed by Mr. Clark keep our school lives rolling smoothly.

Were Mr. Clark to take a surprise vacation, his presence would be missed immediately as we shivered through cold halls and worked in dimly-lit rooms.

Realizing the vast importance of Mr. Clark's place in our lives and the faithfulness with which he has served this school district for fourteen years, we, the Publications Staff of 1950 with gratitude and love, do dedicate this annual to MR. A. C. CLARK.

Bookworm members and mascot

A colorful group that backed our school in many activities was the band. The band performed at all the home football games. It is an organization composed of the more musically inclined students of Wildcat Hill.

During the year, the band not only played at football games, pep assemblies and marched in numerous parades, but also went to clinics and festivals in other towns. Their annual concert was in April.

To be eligible for membership in this organization, you must be dependable, conscientious, industrious, musically minded, and willing to put forth an effort and give much of your time.

The marching and concert bands are composed of the same students, playing the same instruments.

These familiar strains echo in everybody's ear that has ever attended a Wildcat game. The people responsible for making those loud pleas are none other than the loyal cheerleaders.

Not only are these students very active in their cheerleading, they have many other activities. The requirements for entering the try-outs in the spring are very strict. Their citizenship must be approved by all faculty members, and they must make a high grade average.

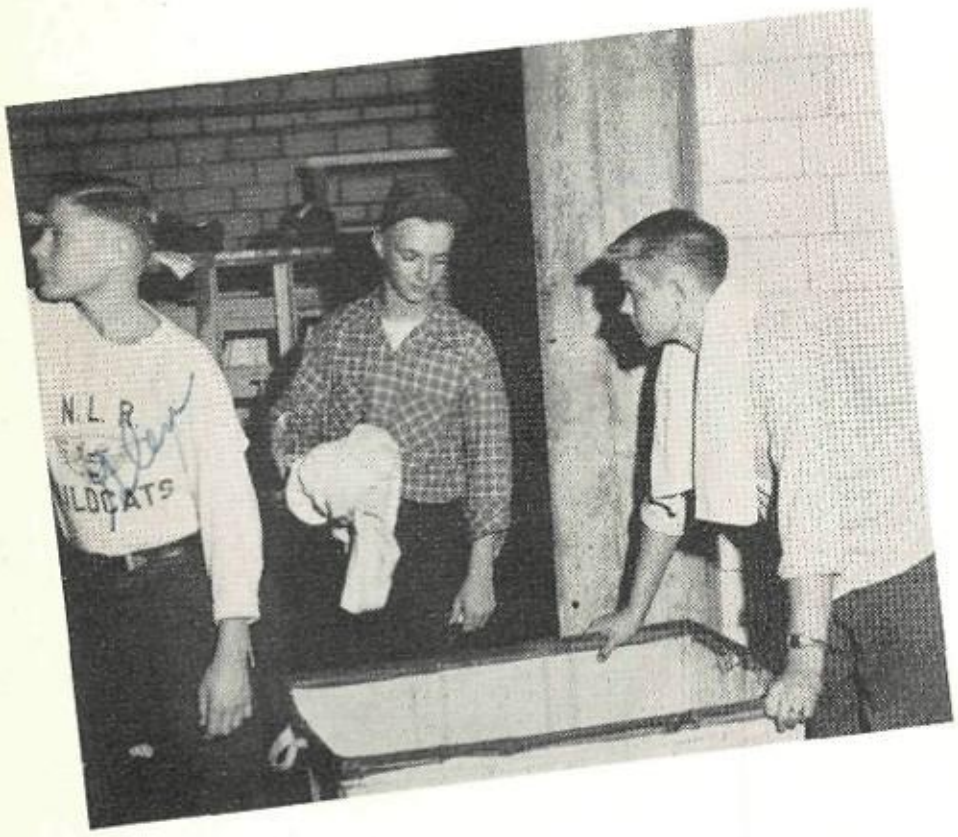
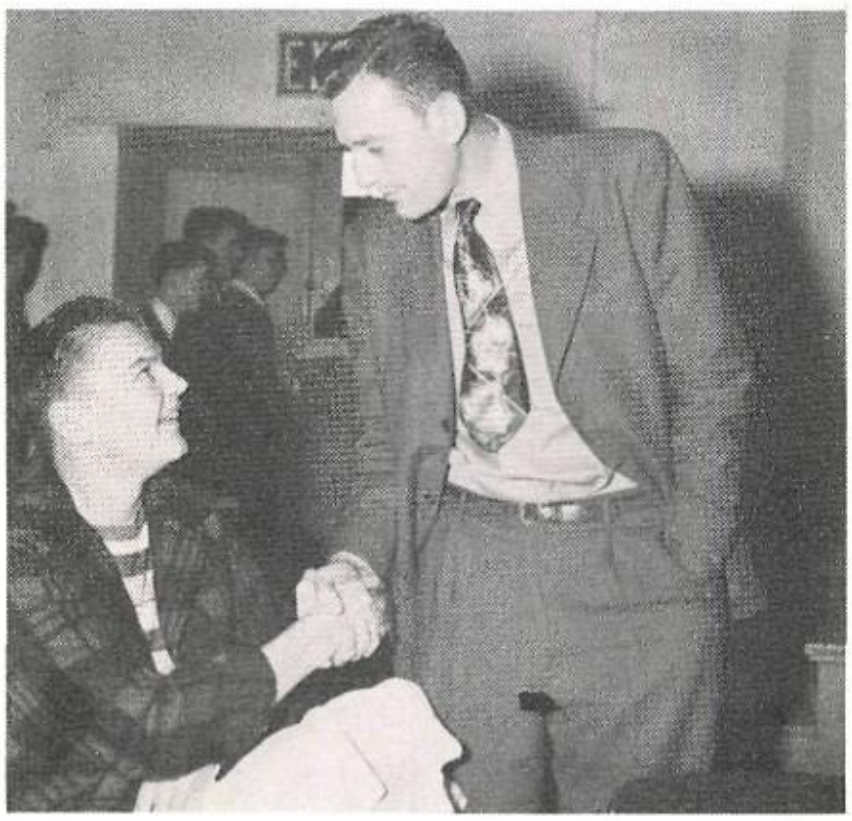
These three men above were entirely new to most of us this year; but by the time our football season was over, they were quite well known and liked by all. To the left is line coach Raymond Peters, a graduate from the University last year who came to us with high recommendation and has proved himself quite well. The center is head coach Elvin Geiser, a man of high ideas for the Wildcats in the near future and also a man with the knowledge and the courage to bring forth these ideas.

On the right is a man who was known a little better to us because he was head coach at Junior High last year. He came to us as backfield coach and will help to develop our boys into the hardest runners and blockers we have ever had.

We are very lucky to have these three men on our coaching staff, not only because they are good coaches, but because they have the highest moral quality possible.





These boys work as hard as anyone to help develop the team. They work during the time the boys are practicing and a long while after they have finished and showered and gone home. They deserve much credit for the success of the Wildcats. We should be proud of these boys for the work they do.

The other fellow you see above is well known by all Wildcats. He has been an inspiration to the team as well as to everyone else who knows him. He has been awarded a letter by coaches and teammates because of his importance to the team. Jerry Hill attended as many games as possible and is the Wildcats' number one supporter. It is indeed a pleasure to know a boy with such a "will to win" no matter what the odds may be.

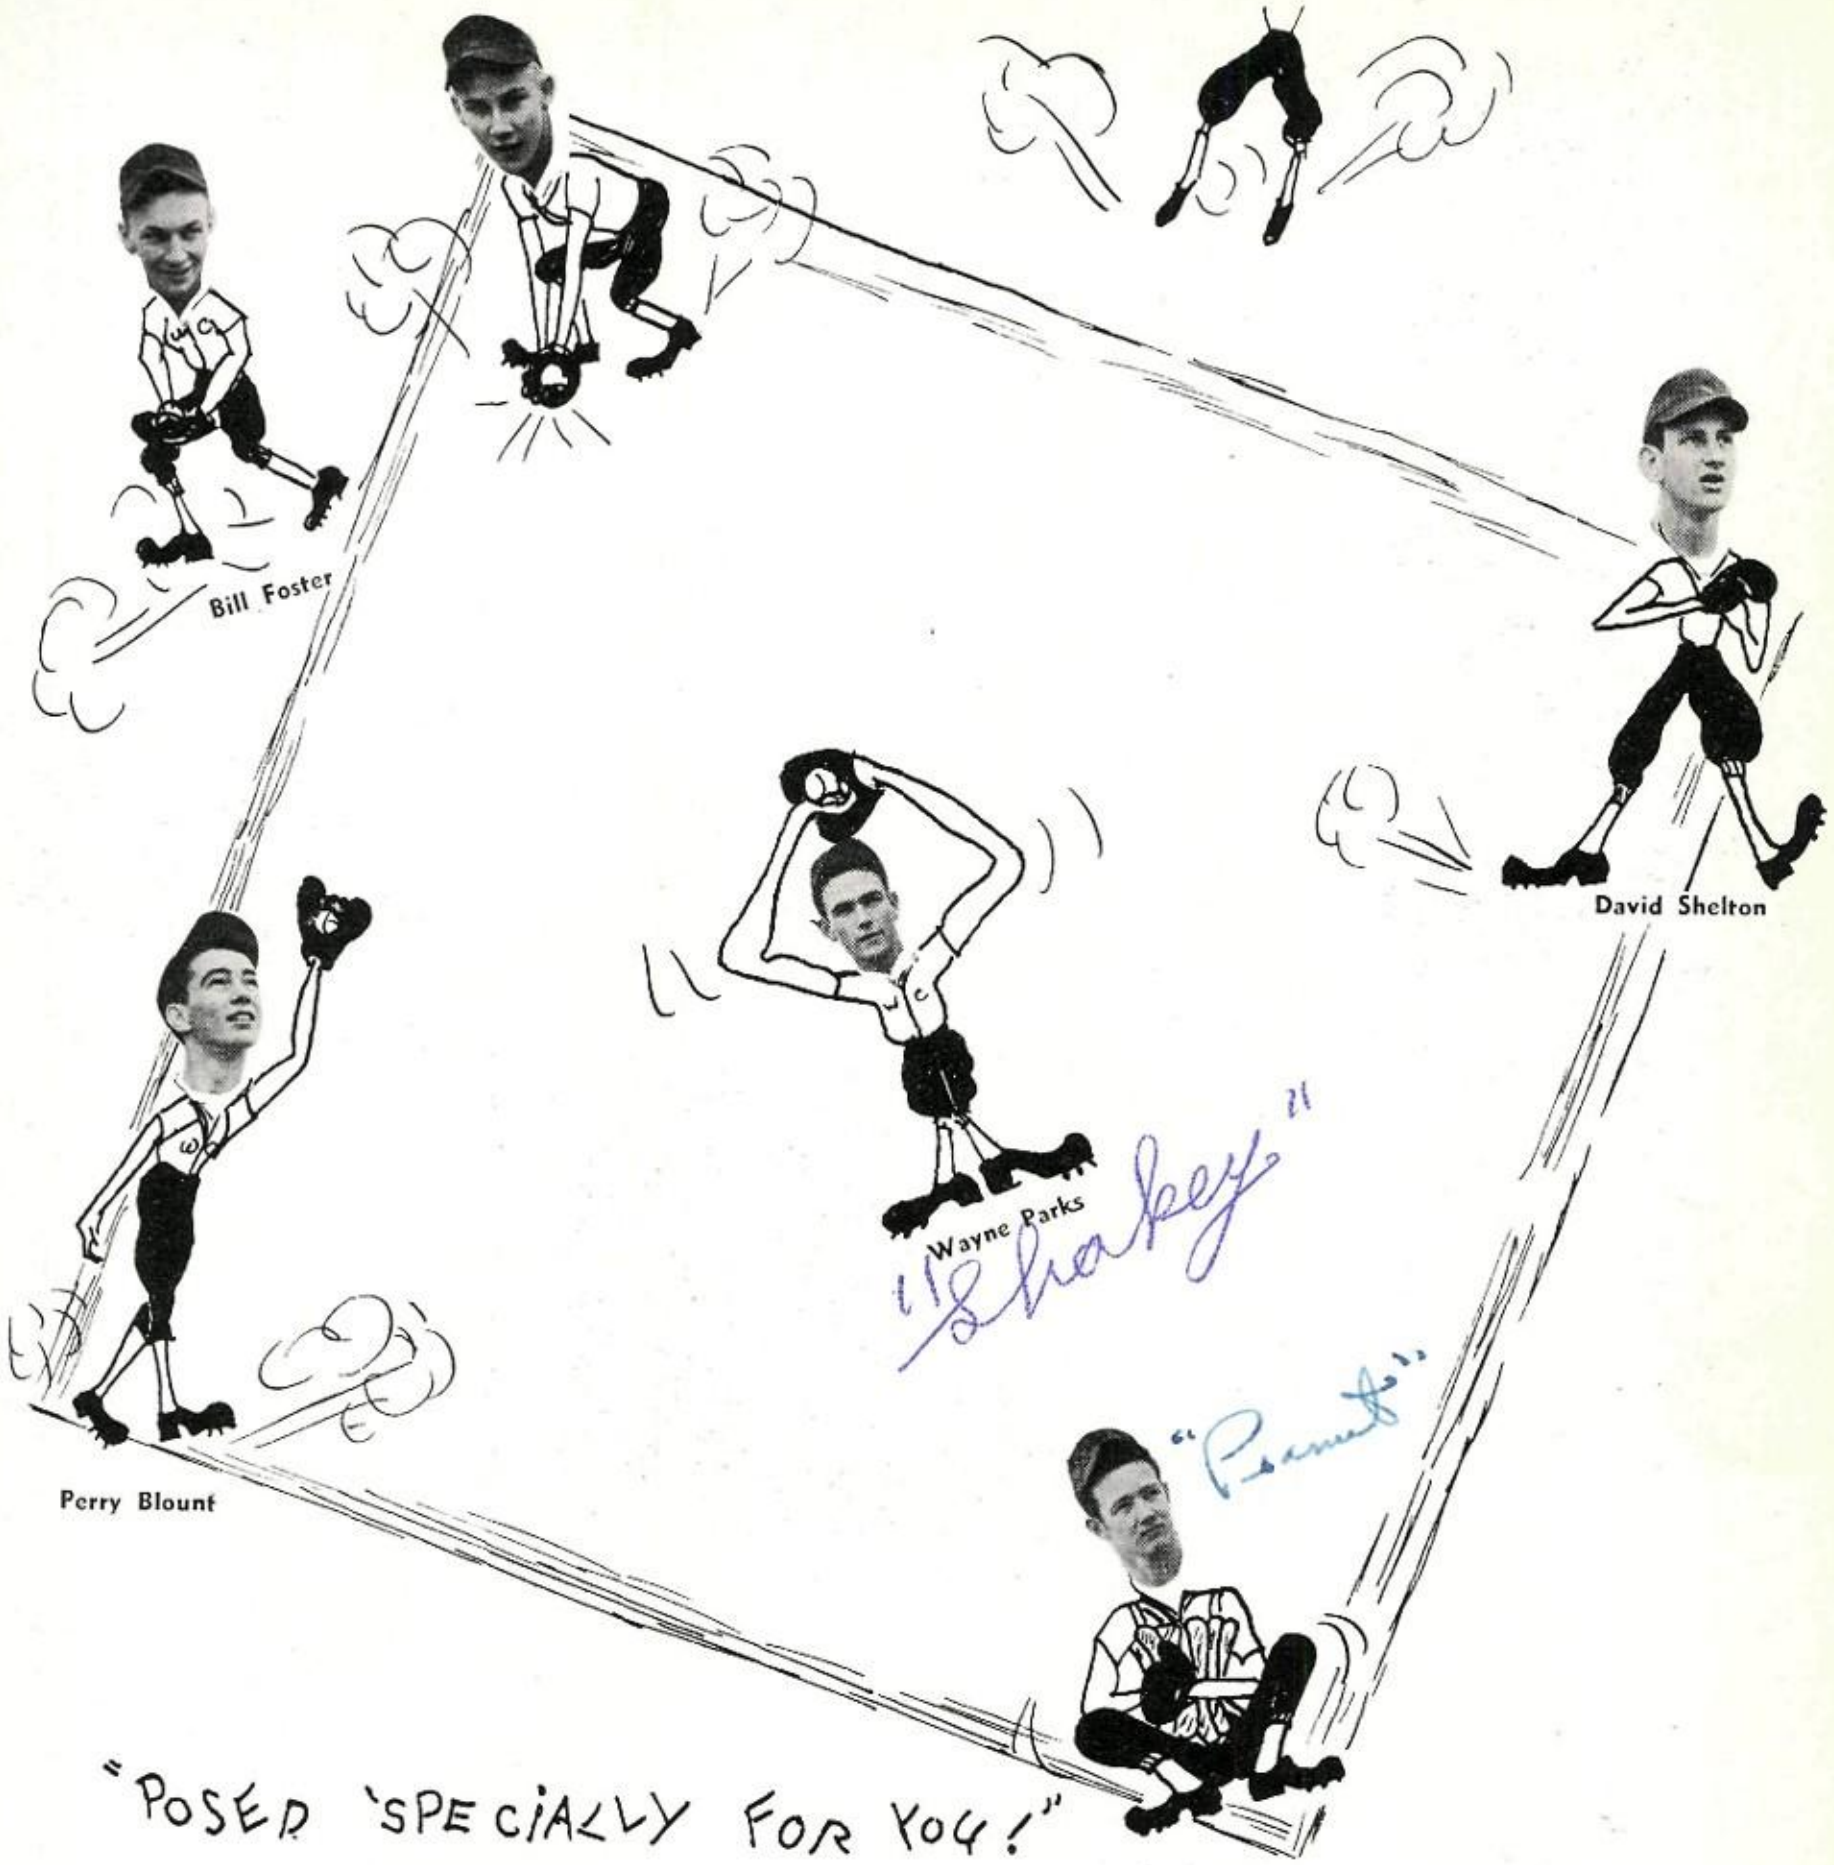
BASEBALL

The 1949 edition of the North Little Rock American Legion team, coached by Williard Forsythe, was marked with youth, sporting its five veterans in: Aubrey Tapley, catcher of three years experience; David Shelton, two year first baseman; Wayne Parks, three year veteran right hander; Perry Blount, two year infielder; and Bill Bird, catcher, with a dual season record.

The Cats were strongest in the pitching department headed by Parks and backed up by Tapley and Johnny Whitten. Promise was shown by infielders Charlie Clark, Don Monk, and third baseman Bill Arrington. The outfield was made up entirely of newcomers with changes being made throughout the season; Bill Valentine, Joe Barnwall, and Calvin Bullington with I. E. Turner, Toney Clements, and Bill Bird serving most of the time. With hard hitting outfielders, backed by punch hitting infielders, and with the constant help and patience of Coach Forsythe, the Cats advance to the finals of the district tourney where they were beaten out by the Little Rock Doughboys.



Baseball, the most popular sport in America, is fast becoming popular as the fourth sport in North Little Rock High School.

These boys above, along with the outfielders and their substitutes, will make up the Wildcat team this year. They also have a new leader in Coach Willard Forsythe. Coach Forsythe comes to us with an excellent record as he led the Legion team into the finals in the district tournament last year.

An open letter to you—

We hope you like this, the twenty-fifth edition of the Wildcat. When we first began working on this product of toil and sweat, we said, "This must be something special!"

Twenty-five years of excellent annuals is a hard reputation to live up to. However, maybe this 1950 version will make a suitable milestone.

Although the work was hard, the feeling of satisfaction in having created something outweighs that. So here it is—hope you like it.

Sincerely,

Betty Jane McClellan
